The during construction phase

Issues during Construction

- Two key questions: what is the loss and what caused it?
- When will the contract works policy respond?
- Who is responsible within the project group?
- What about recoveries amongst the project group? Do contracts and/or the nature of the insurance arranged affect recoveries?

The during construction phase

Issues post Construction

- How do insurance policies deal with latent conditions?
- What causes of action are available where the condition is latent?

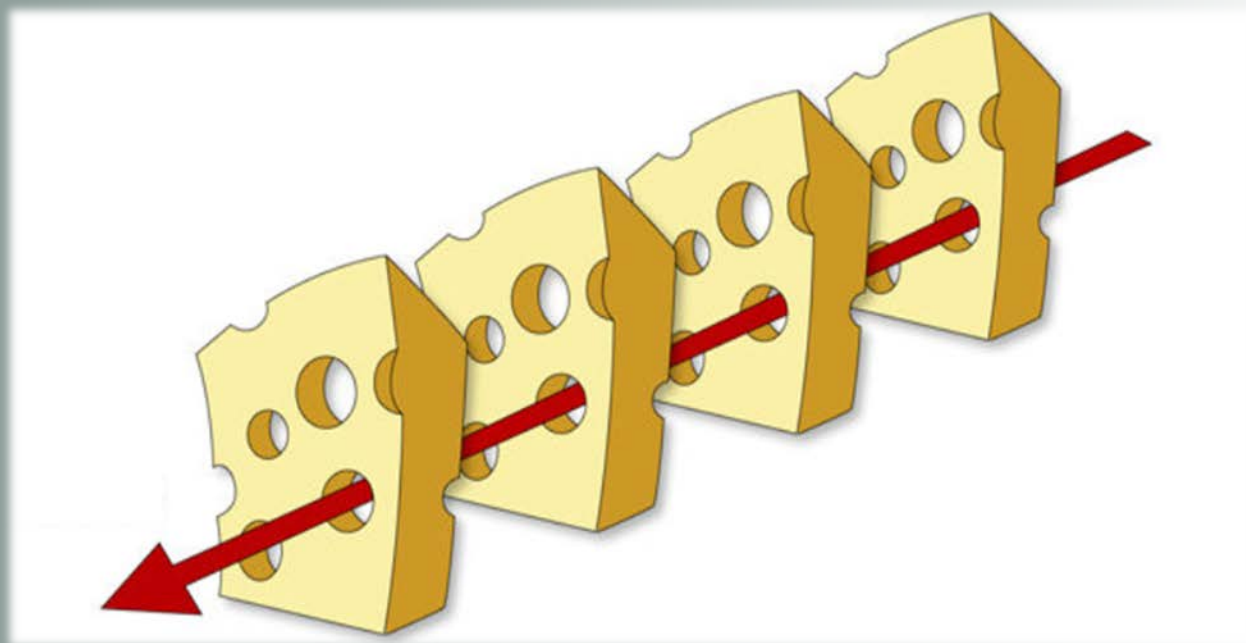

Other Issues

- Double Insurance
- Claims Handling
